Department of Transportation

CDOT Denver Metro Region Update June 2022

Region 1: who we are and what we do

- Responsible for state maintained roads east of Denver to the I-70 Eisenhower Johnson Memorial Tunnel
- Cover 8 counties and 60 local agencies
- Serve the needs of 2.8 million people, half of Colorado's population

Region 1: who we are and what we do

- Maintain 3,689 lane miles, enough pavement to traverse the country
- Vehicles travel an average of 38 million miles daily on that pavement
- Work includes pavement, striping, signage, repairs, snow removal, rock fall mitigation, trash removal, operations and capital improvement

Maintenance at a glance

912 bridges and 10,000 culverts

Over 2.5 million feet of guardrail

Nearly 1 million miles in snow removal a year

More than 100 miles of sound walls

376 signals and thousands of signs

36,000 cubic yards of road debris removed a year

Construction at a glance

Central 70 - traffic expected to be in final configuration this year

I-25 South Gap - Express Lanes opened a year ahead of schedule

WB I-70 Mountain Express Lane open, tolling begins this summer

I-70 Floyd Hill

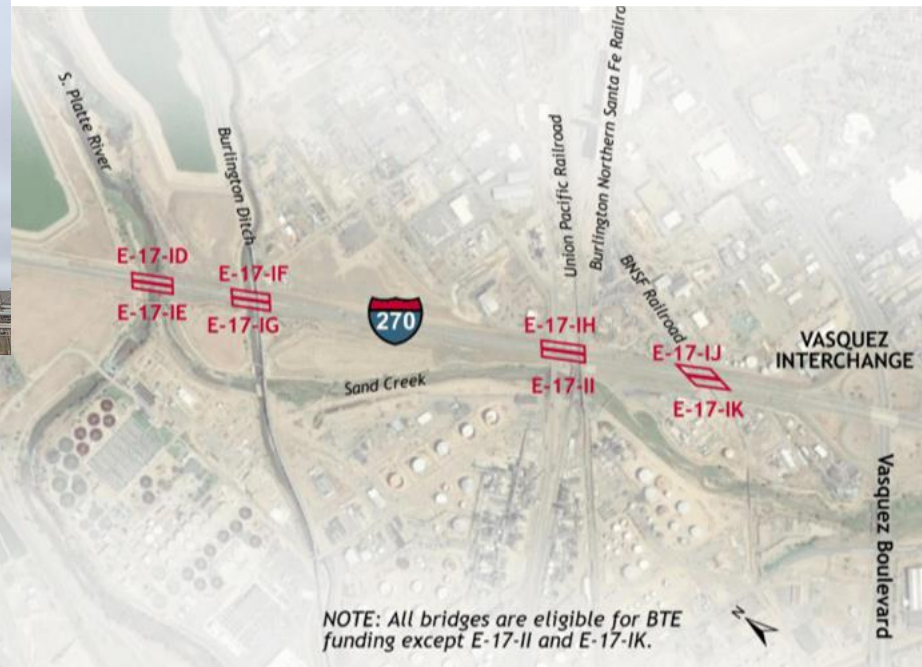

Project highlights

- Revamp 8 miles of I-70 between Evergreen and Idaho Springs
- Build a third I-70 Express Lane
- Replace bridges, rebuild interchanges and flatten curves
- Multi-modal improvements
- New wildlife crossings
- Air quality monitors
- Construction on wildlife crossings begins this year with major construction beginning next year

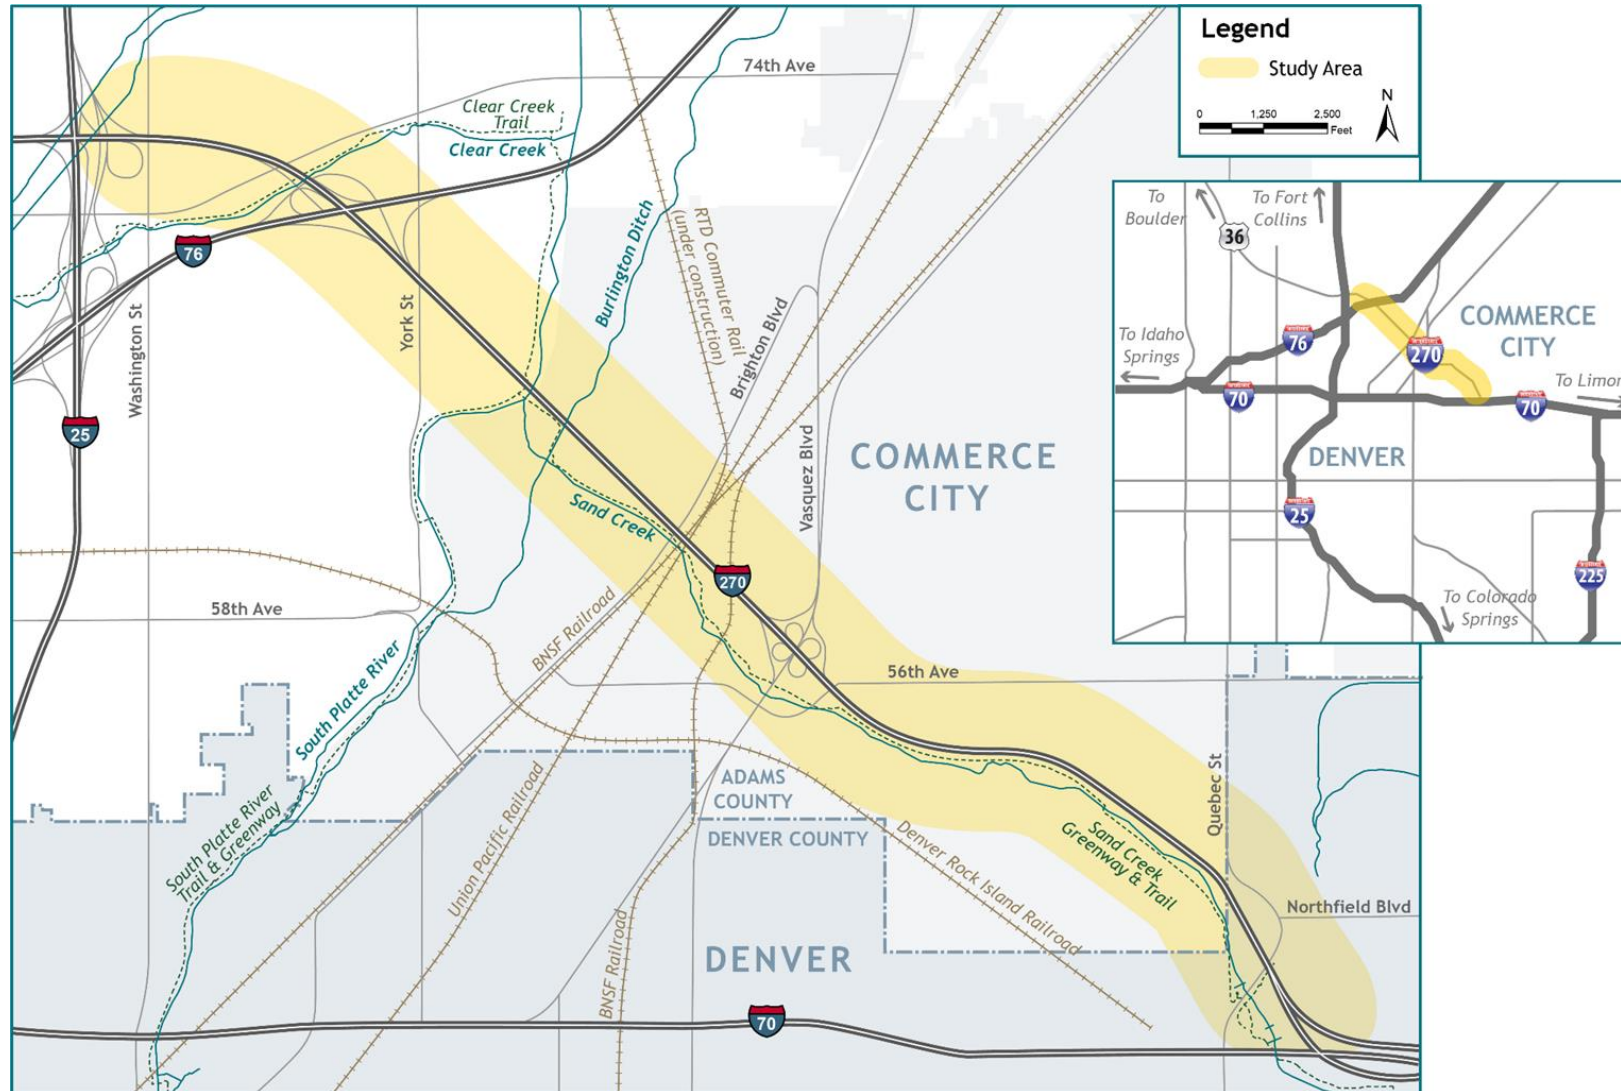

Project will replace 8 bridges between Vasquez Blvd. and York St.

- Bridges built over 50 years ago and are in need of replacements
- Over 300 emergency deck repairs since 2006
- Project is in design

I-270 study work

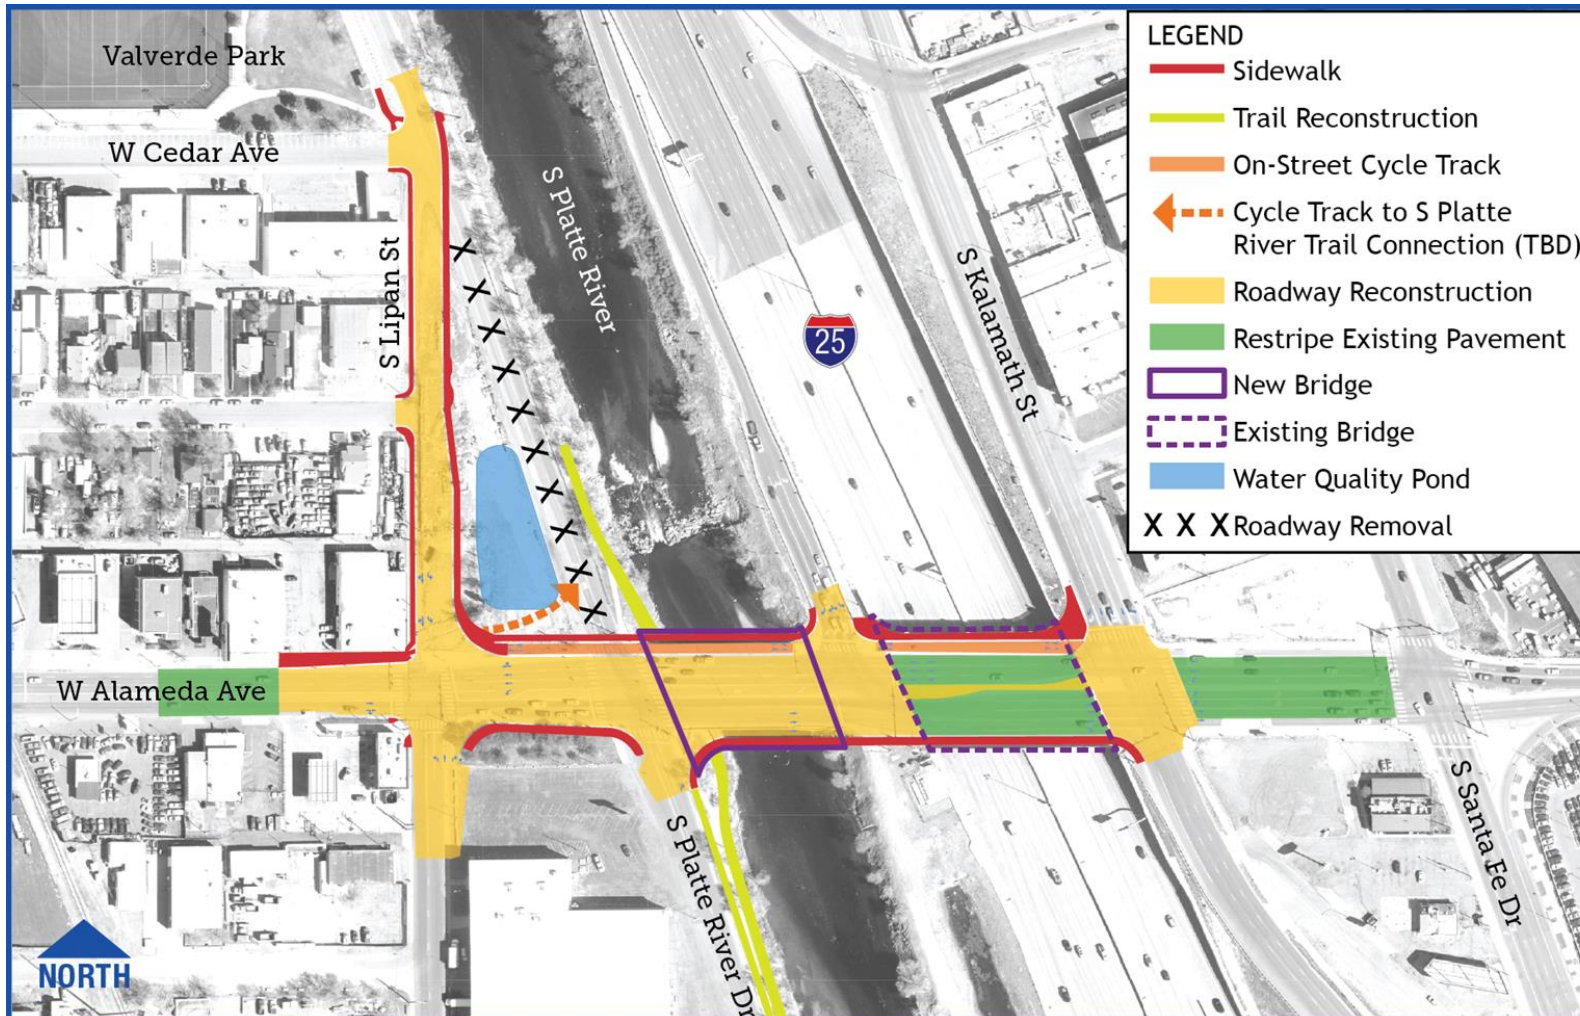

July 17, 2020

Environmental Assessment

- Improve the 7-mile I-270 corridor
- Built more than 50 years ago
- Project goals are to improve safety, travel time reliability and truck freight transportation, and update obsolete highway infrastructure
- Third public meeting in September
- Extensive public outreach
- EA decision document expected next year

West Alameda bridge replacement over South Platte River

Project highlights

- Replace bridge and a portion of the South Platte River Greenway Trail
- Build a cycle track on the north side of Alameda Ave. along with other pedestrian and bicycle access improvements
- Intersection improvements
- Build a water quality pond
- Project expected to go to add this summer
