The National Utility Contractors Association (NUCA) of Colorado

Chartered in 2009, NUCA of Colorado is the only trade association dedicated solely to the utility construction industry in this state. NUCA of Colorado is the preeminent place to come together with other industry professionals to grow and develop, listen and communicate, and share best practices in a spirit of trust and cooperation. NUCA of Colorado offers its 70+ member companies the opportunity to build relationships and create unique business opportunities, stay up-to-date on the latest industry news, and participate in shaping industry-related legislation.

NUCA Colorado Committees

NUCA Colorado has **5 active committees** in addition to the Board of Directors. Events & Programs, Government & Industry Relations, Membership, Safety, Compliance & Training and Scholarship. The strength of the association lies within the participation and support of the volunteers.
